Joan Fall

Artist Joan Fall grew up with a "green thumb" mother who loved anything that grew, and became addicted to the beauty of flowers after several years of cultivating her own gardens. Learning more about flowers, weeding, thinning out, and rearranging her gardens became her therapy. Joan began taking photographs of flowers after a niece admired one of her Asiatic Lilies. After seeing the beauty of that photograph, Joan wanted one herself. Joan finds it awesome that while flowers are around only a short while, their beauty can be enjoyed year round through photographs. Joan lives in Ottumwa, IA.
