## Misao Fishwick

Artist Misao Fishwick finds simplicity and sincerity when creating his works. Without complicated forms or explanations, capturing the images of beauty and tranquility in what he sees allows him to reflect on who he is and where he comes from. His works are the visual images of his songs and poetries coming from his heart. Misao attended the Tokyo Designer Gakuin art school in Tokyo and the American Academy of Arts in Chicago. His colored pencil, pen, and ink drawings are in many private collections, and he has been in group, solo and juried art shows in New York, New Jersey, and Iowa. Misao lives in Oskaloosa, IA.
